NANA BERNICE NANA-MIREKU

66TH ANNIVERSARY CHAIRPERSON

Ms. Bernice Nana-Mireku is a seasoned educationist with almost three decades of teaching in the Ghana Education Service. She completed Oda Secondary School in 1996 before training as a professional teacher at OLA Training College, Cape Coast, in 2000. She later earned a B.Ed in Home Economics from the University of Education, Winneba, in 2008, followed by an MPhil in Food and Nutrition from the University of Cape Coast in 2017. She went on to complete two M.Ed degrees — in Educational Administration (2020) and Management in Living (2022) — also from the University of Cape Coast. Her MPhil research on the nutritional content of food served under school feeding programme was published in the European Journal of Education Studies (2022).

Over the years, she has taught at several basic and senior high schools, lectured at Komenda College of Education and UCC's College of Distance Education, and served as a WAEC Examiner since 2014. She has held the rank of Deputy Director in the Ghana Education Service since 2019.

Since 2025, she has been serving as Assistant Headmistress (Administration) at Oyoko Methodist Senior High School, Koforidua - Oyoko. Her journey of dreams, discipline, and destiny is what she humbly brings to her service as Chairperson for this year's homecoming celebration.She is a christian, an entrepreneur, a mentor and a mother.

PROFILE

NANA VERY REV.
DR. KWAKU BOAMAH

GUEST SPEAKER

The Very Rev. Dr. Kwaku Boamah is a Methodist minister, distinguished scholar, educator and Christian leader whose journey reflects a lifelong commitment to academic excellence, faith, leadership and service.

A proud alumnus of Oda Secondary School, who completed in 2001. During his years at the school, he distinguished himself through active involvement in student leadership and Christian ministry. He served as Assistant Boys Prefect, President of the School Choir and Vice President of the Scripture Union, among other leadership roles. These early experiences laid the foundation for his continued pursuit of knowledge, leadership and service.

His academic journey has taken him to institutions in Ghana and abroad. He holds a Bachelor of Arts degree in Sociology and Religions from the University of Ghana, a Master's degree in Religious Roots of Europe from Aarhus University, Denmark, a Doctor of Philosophy (PhD) in Religions from the University of Ghana and a Master of Education in Counselling Psychology from the University of Education, Winneba.

He currently serves as a Senior Lecturer in the Department for the Study of Religions at the University of Ghana, Legon. His teaching and research interests include Early Christianity, Patristics, Christian history, martyrdom, Apologetics, Christian identity, African Christianity and Missions. He is also a Research Fellow in the Department of Christian Spirituality, Church History and Missiology at the University of South Africa (UNISA).

Beyond academia, the Very Rev. Dr. Boamah has served the Methodist Church in various pastoral, educational, campus ministry and leadership capacities. His ministry is characterised by a commitment to biblical teaching, Christian formation, youth and student development, mentorship and public engagement.

He is married to Catherine Boamah, and together they are blessed with two children.

From his early beginnings as a student leader at Oda Secondary School to his present responsibilities as a minister, scholar, researcher and educator; his journey reflects the transformative power of education, faith, discipline and purposeful leadership. His story serves as an inspiration to students, demonstrating how the foundations laid during their school years can shape a lifetime of learning, leadership and service.

8. Dr. Stella Agyeman Duah
9. Mr. Isaac Agyapong
10. Mr. Jerry Anokye Amissah
11. Madam Nora Georgina Kwofie

A LEGACY, A DREAM, A DESTINY: THE 12TH HEADMASTER'S MESSAGE

MR. ERIC AMOAH

Sixty-six years is more than the mere passage of time; it is a river of dreams, sacrifice and service, flowing from one generation into another, nourishing minds, shaping character and carrying destinies towards the shores of possibility.

For 66 years, Oda Senior High School has stood as more than an institution of learning. It has been a forge of minds, a school of character and a nursery of dreams; producing generations of scholars, professionals and citizens whose contributions continue to illuminate society.

Today, therefore, we celebrate not merely the passage of time, but a legacy preserved, a vision advanced and a destiny still unfolding.

Our theme, ***"Dreams, Discipline and Destiny: The Three Things That Change Life"***, speaks to a profound sequence of human transformation: dreams give us a vision; discipline gives that vision a pathway; and destiny is the harvest of our choices.

Of the three, discipline is the fulcrum.

A dream may kindle the fire, but discipline keeps it burning.
A dream may point to the mountain, but discipline supplies the feet that climb it.

Dreams conceive.
Discipline cultivates.
Destiny harvests.

At ODASCO, discipline is not merely a regulation; it is a culture and a covenant. It is embedded in our core values - **TETeDD**: *Transparency, Excellence, Teamwork, Discipline and Dignity of Labour.*

Our institutional creed makes this even clearer:

NO SIM - No Sabotaging, No Indiscipline, No Malpractices.

NO 3L - No Lateness, No Littering, No Loitering.

These are not ornamental slogans. They are the grammar of the ODASCO character.

No sabotaging teaches us to build, not destroy.

No indiscipline demands self-mastery.

No malpractices insist upon integrity.

No lateness teaches respect for time.

No littering teaches responsibility for our common environment.

And no loitering calls us from idleness to purpose.

There is, however, a deeper lesson about discipline that modern behavioural science helps us appreciate: ***The Hawthorne Effect***, which describes the tendency for people to alter their behaviour when they know they are being observed.

The lesson for us is compelling: It is easy to behave well when the eyes of authority are upon us; true discipline begins when those eyes are gone.

A student who is punctual only because a teacher is watching is being supervised.

A student who is punctual because he values time is disciplined.

A learner who avoids malpractice because invigilators are present is being monitored.

One who chooses integrity even in solitude has character.

Discipline, therefore, is not the fear of being caught; it is the courage to do what is right when no one is watching.

That is the discipline ODASCO must cultivate and is cultivating in our next generation.

Our aspiration must never be separated from the discipline required to achieve it. Whether in the classroom, on the field, in leadership or in life, excellence is rarely an accident; it is the product of disciplined choices repeated over time.

Our Vision calls us to become: *"a centre of academic and moral excellence in education delivery in Ghana".*

And our Mission challenges us: *"to create a very conducive environment for effective teaching and learning".*

But beyond structures and systems, the greatest environment we can create is one in which character is valued, excellence is pursued and discipline is lived. For the future does not arrive fully formed. It is built; one choice at a time, one act of discipline at a time, one generation at a time.

And this brings us to the work of building the ODASCO of the future.

As the 12th Headmaster, I have come to appreciate that leadership is not merely about managing what we inherit; it is about preserving the good, improving what exists and building what the future demands.

It is against this backdrop that I present what I call **AVID BUILDERS**; not merely as an idea or a slogan, but as the 12 major achievements of this administration, each represented by a letter of the name:

1. ***A — ACADEMIC INTERVENTION***

Through the Special Class 'A' and 'B' programmes, we have responded to differing academic needs; challenging high-performing students towards outstanding WASSCE results, including the coveted 8 A's, while providing targeted support to ensure that no learner is left behind.

2. ***V — VISUAL ARTS STUDIO DEVELOPMENT: BUILDING FOR TALENT***

The PTA has constructed a spacious, fully ventilated and purpose-built Visual Arts Studio, providing a conducive space for practical instruction, creativity, skills development and the nurturing of creative excellence.

3. ***I — IMPROVED ENTRANCE ACTIVITIES***

In collaboration with our key stakeholders, we have improved the school entrance, bus terminal and Visitors' Lounge, with the Chaplaincy and SRC respectively leading the latter two projects. Ornamental plants and other beautification measures have further enhanced the school's welcoming character.

4. ***D — DORMITORY CAPACITY NEEDS***

With the growing student population, Osco 7, the newly created House, exceeded 350 students, necessitating the conversion of a three-unit classroom block and the main library into dormitories. In collaboration with the PTA, we have also provided three-tier bunk beds, though additional beds remain necessary to ease pressure on accommodation.

5. ***B — BOYS' LAVATORY PROJECT***

The Boys' Lavatory Project, undertaken with an NGO, has improved sanitation, hygiene and student welfare. We gratefully acknowledge Hon. Alexander Akwasi Acquah, MP for Akim Oda Constituency, for his generous financial support towards this important project.

6. ***U — UPGRADED STAFF COMMON ROOM AND ADMINISTRATIVE OFFICES***

We have upgraded the Staff Common Room and created offices for the Assistant Head (Academics) and the Secretary to the Headmaster, enhancing staff welfare and administrative efficiency.

7. I — IMPROVED CAMPUS ENVIRONMENT

Through painting, landscaping, beautification and improved lighting, we have enhanced the campus environment. We are particularly grateful to Mr. Maxwell Indome and the 1983 Year Group for providing an industrial mower, while the Asantewaa House wall has improved privacy and protection for our female students.

1. L — LITTER CONTROL AND SANITATION

We have provided strategically positioned dustbins, while NANANOM have generously provided an incinerator for the controlled disposal of combustible waste. We gratefully acknowledge their invaluable support. Supported by our "NO SIM, NO 3L" policy, particularly No Littering, these measures continue to strengthen cleanliness, sanitation and discipline across the campus.

2. D — DEVELOPMENT AND INTRODUCTION OF THE HEADMASTER'S CHALLENGE CUP

The ODASCO Headmaster's Challenge Cup has become a talent-identification and recruitment initiative, engaging brilliant basic-school students and creating opportunities for outstanding participants to gain free admission to ODASCO, thereby building a pipeline of talent for the school's future.

3. E — ENHANCED ACADEMIC CULTURE

We have strengthened the culture of academic excellence through the 8 A's Project, Saturday Intervention Classes, Peer Teaching, intensive WASSCE preparation and post-WASSCE results analysis, making preparation, accountability, reflection and continuous improvement integral to academic life.

4. R — ROADS AND DRAINAGE IMPROVEMENT

We have improved the campus drainage system, but portions of the inner roads remain gravel-surfaced. We therefore seek their upgrading to asphalt across the campus, as loose sand and debris washed into the drains during rains undermine the improvements already made. Good drainage deserves good roads.

5. S — STRATEGIC PURSUIT OF CATEGORY 'A' STATUS: ADVANCING THE ODASCO DESTINY

We are strategically positioning ODASCO for Category 'A' status through sustained academic excellence, discipline, infrastructure development, institutional strengthening and key stakeholder partnership. This initiative is particularly important as it represents our determination to raise the academic, infrastructural and institutional standing of ODASCO to a level commensurate with its history, potential and heritage.

In this regard, the Board of Governors has given the green light for families and philanthropists to support ODASCO through the construction of needed facilities, subject to the Board's approval. These may include dormitories, a Robotics Centre, a library or other essential infrastructure, which may be named in honour of the benefactor or family as a lasting legacy.

We therefore make a special appeal for the construction of a boys' dormitory in honour of the late Mr. Amissah Arthur, the school's second Headmaster. His legacy, together with that of his son, the late former Vice-President Mr. K. B. Amissah-Arthur, remains part of Ghana's history. Such a facility would honour the past while serving generations yet unborn.

This responsibility cannot rest on the Headmaster or Management alone.

It requires the collective commitment of the Board of Governors, staff, students, PTA, Past Students, traditional authorities, corporate organisations, development partners and all friends of ODASCO.

This is an invitation to build a lasting legacy: ***THE ODASCO WE MUST BECOME***

Our proud mantra declares:

ODASCO: VIP - Vision In Progress.

Let it be more than a motto. Let it be our movement.

Let us dream boldly.
Let us discipline ourselves faithfully.
Let us pursue excellence relentlessly.
And let us build a destiny worthy of our heritage.

Sixty-six years have brought us here. The next chapter calls on us to achieve greater heights.

May we preserve the legacy entrusted to us, enrich the present through discipline, excellence, and bequeath to generations yet unborn an ODASCO stronger, nobler and greater than the one we inherited.

Long live Oda Senior High School!

Long live the Ghana Education Service!!

Long live Ghana!!!

GOODWILL MESSAGE

MRS. GLORIA AGGREY-KILSON
DIRECTOR OF EDUCATION,
BIRIM CENTRAL MUNICIPALITY

On behalf of the Birim Central Municipal Assembly and on my own behalf, I extend warm congratulations and best wishes to the ODASCO Past Students Association (Nananom), the school community, alumni, students, staff, and all stakeholders on the occasion of the 66th Anniversary and Homecoming Celebration.

The theme, "Dreams, Discipline, and Destiny: The Three Things That Change Life," is highly relevant to the development of our young people and society at large. Dreams provide direction, discipline gives strength to pursue those dreams, and destiny is shaped by the values, decisions, and sacrifices we make along the way.

The Birim Central Municipal Assembly commends the ODASCO fraternity for sustaining a strong tradition of excellence, service, mentorship, and unity over the years. We particularly acknowledge the role of past students in giving back to their alma mater and contributing to the development of the wider community. As ODASCO marks this important milestone, may the celebration rekindle old bonds, inspire the present generation, and strengthen the collective commitment to building a brighter future.

We wish Nananom and all participants a successful, memorable, and impactful 66th Anniversary and Homecoming.

Congratulations to ODASCO at 66.

Long live ODASCO.

Long live Birim Central Municipality.

Long live Ghana.

GOODWILL MESSAGE

PROF. GRACE LARTEY
ODA SENIOR HIGH SCHOOL PAST STUDENTS' ASSOCIATION (NANANOM)
CHAIR, INTERIM MANAGEMENT COMMITTEE

Mr. Headmaster, Board of Governors, Honorable Chief of Staff, Nana Awosohene, Honourable Reg. Minister, Honourable Reg. Director of Education, Honourable Member of Parliament (Akyem Oda Constituency), Municipal Chief Executive, Birim Central Municipal Director of Education, Rev. Ministers, Traditional Leaders, Invited Guests, Fellow Nananom, Students, Parents, Ladies and Gentlemen, it is my singular honour to welcome you to our School, our Alma Mater. I truly hope you have enjoyed your time with us this morning.

This morning, you are witnessing 66 years of memories that have become part of our history. Today is a special day for us not only because of our 66 years of existence; we are privileged to honour the man who dedicated his life and laid the unshakable foundation for us. To the late Rev. John William DeGraft Johnson, your tireless efforts in mentoring the first group of students has yielded abundant fruits. We are honoured to have representatives of the pioneer class with us today to share in the joy together with the 61+ year groups.

To our Anniversary Groups, Nananom 1966 (60 years), 1976 (50 years), 1986 (40 years), 1996 (30 years) and 2001 (25 years), we salute and hail you for leading the way the past 12 months. The road was winding and bumpy, but you persevered and forged ahead. We are motivated to continue with the subsequent years' activities and counting on you to give us the push.

Nananom, as history is being written, I entreat each one of us to do a self-reflection and determine your place and contribution in our Association. What is your role and how well have you played the part? Let us resolve to contribute our quota and uplift our alma mater in every way possible.

To the current students, 66 years may seem old; however, the memories are lasting. Start making your memories today and walk confidently into the future. We are eagerly waiting to welcome you into the Nananom Fraternity. Continue to seek Knowledge, hold on to Truth, and Serve your communities with the best of YOU.

Long Live Oda Senior High School! Long Live Nananom! Long Live Ghana! #NananomforLife!

GOODWILL MESSAGE

HON. RITA AKOSUA ADJEI AWATEY

EASTERN REGIONAL MINISTER

The chairman of the occasion, members of the board of governors, the headmaster and management of oda senior high school, the president and executives of the old students' association, distinguished alumni, Members of the teaching and non-teaching staff, Distinguished guests, parents and guardians, students, ladies and gentlemen,

It is a great honour and pleasure to join the management, staff, students, old students, parents and the entire Oda community to celebrate the **66th Anniversary and Homecoming of Oda Senior High School**. On behalf of the Government and the good people of the Eastern Region, I extend my warmest congratulations to the school on this significant milestone.

This school has achieved Sixty-six years of commitment to education, character formation, leadership development and service to Ghana. Today, we celebrate an institution and a generation of men and women whose lives have been shaped by the values and experiences acquired within these walls.

The theme for this year's anniversary celebration, **"Dreams, Discipline and Destiny: The Three Forces That Shape Life,"** is both inspiring and timely. Every meaningful achievement begins with a dream. It challenges us to look beyond our present circumstances and imagine a better future. As students, you must dare to dream of becoming excellent professionals, responsible leaders, entrepreneurs, innovators, teachers, scientists, doctors, engineers and public servants.

Discipline is the bridge between dreams and achievement. It means having the courage to do what is right even when nobody is watching. It means attending classes, studying diligently, respecting authority, managing your time wisely and making choices that protect your future. I therefore encourage you to cultivate discipline in your studies, relationships, personal conduct and use of technology.

Destiny reminds us that our lives have purpose and that the choices we make today contribute to the future we eventually create. However, destiny should not be understood as something that happens to us while we remain passive. Our decisions, actions, attitudes and perseverance play important roles in shaping our future.

The dreams you nurture today, supported by discipline and guided by good values, can position you for a meaningful destiny. I urge you to believe in yourselves. Do not allow your background, present circumstances or temporary challenges to define your future. Your destiny can be greater than your present situation.

Ladies and Gentlemen, as we celebrate 66 years of Oda Senior High School, we must acknowledge the immense contributions of the founders, school authorities, teachers, parents, traditional leaders, development partners as well as the Old Students' Association.

To the current management and staff, I commend you for your dedication to nurturing the next generation. Education is one of the most powerful investments any society can make. The quality of education we provide to our young people will have a direct impact on the future development of our communities.

Once again, I congratulate Oda Senior High School on its 66th Anniversary and Homecoming.

Long live Oda Senior High School!
Long live the Eastern Region!
Long live Ghana!

Thank you, and God bless us all.

GOODWILL MESSAGE

MRS. IVY ASANTEWA OWUSU

EASTERN REGIONAL DIRECTOR OF EDUCATION

It's with great pride and honour to be part of this great celebration, 66th Anniversary and Home Coming of Oda Senior High School.

For nearly seven decades, this school has stood as a beacon of excellence, shaping young minds, building character, and sending forth leaders who impact our nation and the world. As we gather today to honor this rich legacy, we also reflect on a theme that cuts straight to the core of personal growth and human potential:

> **"DREAM, DISCIPLINE, AND DESTINY: THE THREE THINGS THAT CHANGE LIFE."**

Every great journey begins in the imagination. A dream is not merely what we see when we sleep; it is the burning vision that refuses to let us sleep.

Sixty-six years ago, the founders of this institution had a dream—a vision to create a place where knowledge would thrive and future leaders would be forged. Look around you today: we are the living fulfillment of that original dream.

To our cherished students, your dream is the blueprint of your future. Whether you aspire to be a scientist, an entrepreneur, an artist, a statesman, or a pioneer in technology, your dream is the spark that gives your life direction and purpose. Never let anyone convince you that your ambitions are too big or your background is too small. Everything around us—every technological breakthrough, every great movement, every lasting institution—started first as a single, bold dream in someone's mind.

However, a dream without action is just a delusion. Discipline is the quiet commitment to do what needs to be done, even when you don't feel like doing it. It is waking up early to study when you would rather sleep; it is staying focused during lessons when distractions abound; it is choosing to be different when others are not ready to sacrifice today for the future.

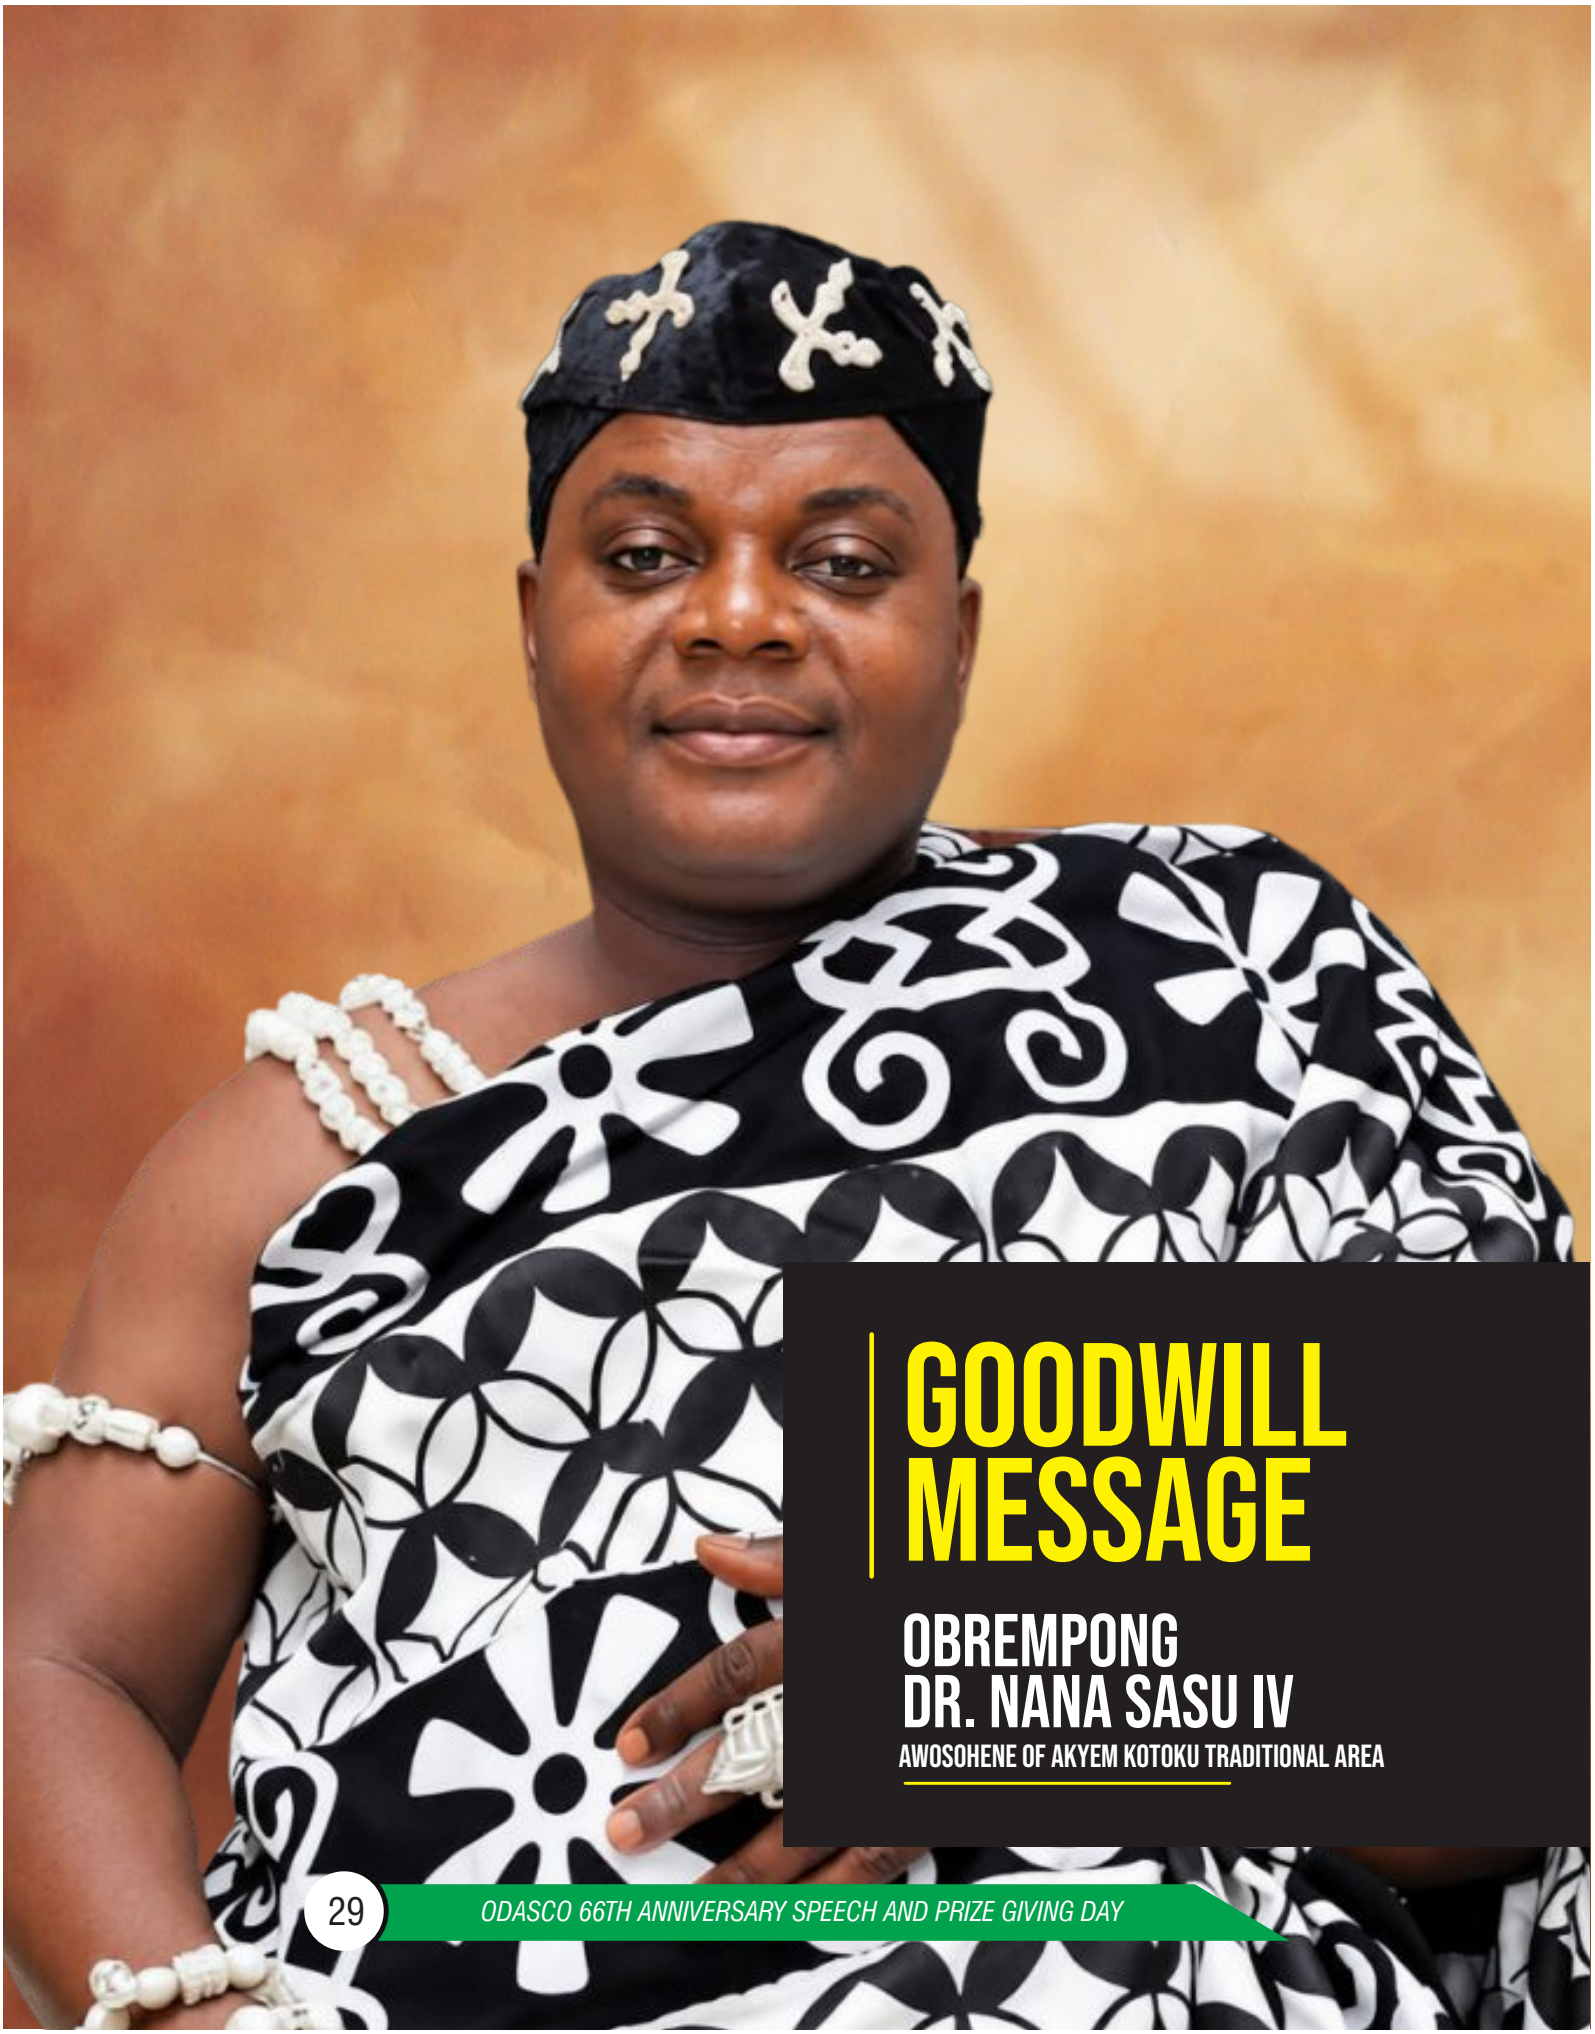

Discipline bridges the gap between the dream and your destiny. Dreams inspire us, but discipline transforms us. Talent may open doors, but only discipline keeps you in the room. This school has always taught us that greatness is not an accident—it is a habit built through daily, unyielding discipline.

As we mark this 66th Anniversary, let us honor the past by committing to the future. Let us re-ignite our dreams, strengthen our discipline, and step boldly into our destiny.

All these have become a possibility with the help of Solid Board of Governors, dedicated School Management, Strong bond among Staff, both teaching and non- teaching, disciplined Students both Past and Present, Organizations and Individuals who never slept on their dream.

Happy 66th Anniversary to our beloved school! May our light continue to shine brightly for generations to come.

Thank you, and God bless us all.

GOODWILL MESSAGE

OBREMPONG DR. NANA SASU IV

AWOSOHENE OF AKYEM KOTOKU TRADITIONAL AREA

Theme

"DREAM, DISCIPLINE, AND DESTINY:- THE THREE THINGS THAT CHANGE LIFE".

It is a great honour and privilege to be part of this remarkable 66th Anniversary Celebration of Oda Secondary School. I wish to express my sincere appreciation to the Board of Members, Management and the Anniversary Organising Committee for the kind invitation and for the opportunity to share in this significant milestone.

On behalf of the Akyem Kotoku Traditional Area, and especially His Royal Majesty Oseadeeyo Dr. Frimpong Manso, I extend warm traditional greetings and heartfelt congratulations to the Management, staff, students, Old Students and the entire Oda Secondary School community.

The theme, "Dreams, Discipline and Destiny – The Three Things That Change Life," is a profound reminder that every meaningful achievement begins with a dream, is nurtured through discipline, and ultimately shapes our destiny.

Dreams give us a vision of what is possible. Discipline provides the commitment, sacrifice and perseverance required to pursue those dreams. And through our choices, values and consistent efforts, we shape our destiny.

To the students, I encourage you to dream boldly, remain disciplined in your studies and character, and persevere even when the journey becomes difficult. Your future is not simply something to wait for; it is something you build through the choices you make today.

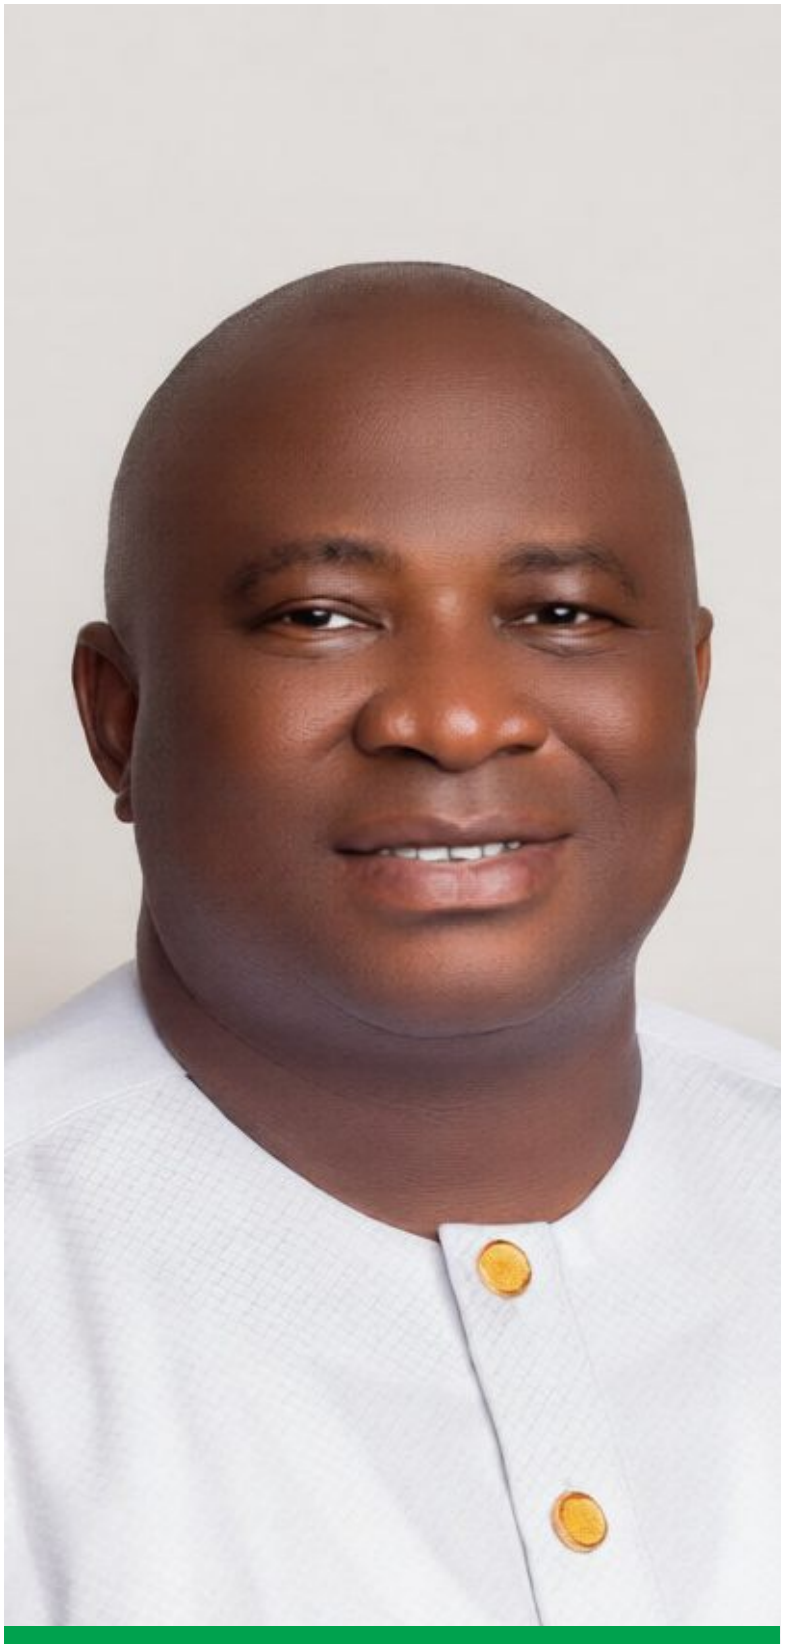

May Oda Secondary School continue to be a centre of academic excellence, character formation and leadership development, producing generations of responsible citizens who will contribute meaningfully to the development of Ghana.

As you celebrate 66 years of service, excellence and achievement, may this anniversary usher in a new chapter of greater accomplishments, stronger partnerships and lasting impact.

Congratulations and Happy 66th Anniversary!

Long live Oda Secondary School!
Long live the Akyem Kotoku Traditional Area!
Long live Ghana!

OBREMPONG
DR. NANA SASU IV
Awosohene of Akyem Kotoku Traditional Area

HON. NANA ALEXANDER AKWASI ACQUAH
MP - AKIM ODA CONSTITUENCY

GOODWILL MESSAGE

FROM THE MP AND A PROUD ODASCO ALUMNUS

As we gather to mark the remarkable 66th anniversary of our cherished Oda Senior High School (ODASCO), I send my warmest and most heartfelt congratulations to the entire school community, our vibrant alumni network (Nananom), the dedicated teaching and non-teaching staff, and our brilliant students.

Reaching 66 years of steadfast academic foundation and moral shaping under the motto "Knowledge, Truth, and Service" is a true testament to the vision of our founding fathers and the resilience of everyone who has passed through these green and yellow gates.

Speaking both as an alumnus who once walked these same corridors and as your Member of Parliament, I remain deeply committed to the progress, development, and uplifting of Oda Senior High School. The discipline and values I acquired here continue to anchor my journey, and it is my greatest honor to support infrastructural and human resource growth back home in the Birim Central Municipality.

To our current students: wear the ODASCO badge with pride, stay focused on your studies, and know that your dreams are valid. To my fellow alumni: let us continue to pull together to build an even brighter legacy for the generations coming behind us.

May ODASCO continue to shine as a beacon of excellence, discipline, and success.

Happy 66th Anniversary! Knowledge and discipline, our hallmark to success!

PRESBYTERIAN CHURCH OF GHANA WEST AKYEM PRESBYTERY

GOODWILL MESSAGE

REV. CHARLES BAAH – ANKRAH
CHAIRPERSON,
WEST AKYEM
PRESBYTERY

To God be the glory, great things he has done!!!

On behalf of the Presbyterian Church of Ghana and the West Akyem Presbytery, I wish to congratulate the Oda Senior School on the celebration of your 66th anniversary.

Occasions like this afford us the opportunity to reflect and acknowledge the diverse contributions of the various stakeholders of the school who have significantly impacted its growth and development.

Oda Senior High School plays important role in the Senior High School education delivery in Ghana, in that it has helped in shaping characters, unearthing talents and empowering students with relevant knowledge and requisite skills which make them fit for purpose in the larger society.

As you celebrate this milestone in the annals of the school, I wish to encourage all the relevant stakeholders to continue to support the school in its pursuit to create a conducive learning environment for students to achieve academic excellence and competent character that can stand the test of time.

Long live Oda Senior High School.

HISTORY OF ODA SENIOR HIGH SCHOOL

Oda Senior High School is situated five kilometers outside Akim Oda on the Oda Nkwanta-Ayirebi road. It is in the Birim Central Municipality. It was officially opened on 30th September, 1960 with Rev. J.W. Degraft as the Headmaster and Mr. A.E. Asiedu and Mrs. Adowa M. Odum as the only members of staff. Oda Senior High School is a co-educational boarding institution established under the Ghana Education Trust which was chaired by Nana Ayirebi Acquah of Winneba. The school was first established in town. But before the school was moved to its present site, the late Nana Frempong Manso III the then Omanhene of Akyem Kotoku Traditional area, in 1957, had readily offered a large tract of land covering one square mile near Oda Nkwanta, to the school.

The first batch of students numbered ninety-five (95); eighty-seven (87) boys and eight (8) girls. Some of these pioneers were the nucleus of Kotoku Secondary School which had earlier been established in 1957 through the hard work of Nana Frempong Manso III and such Kotoku citizens as Mr. Kwabena Adu Asare.

Another one of such pioneers, is the late J.H. Asare, an educationist and Headmaster of Oda Government School (Now Attafuah Senior High Technical School). The school was governed by an eleven-member Board of Governors under the Chairmanship of the late Hon. Albert Kwame Ankomah Agyeman, Member of Parliament of Akim Oda constituency and a Deputy Minister of Finance in the Nkrumah Regime. The first Secretary to the Board of Governors and member of staff was the late Mr. Abora Mensah of Oda (1960-1969). The first Headmaster of the school (September 1960-January 1961) was the late Rev. Degraft Johnson. At the initial stages of his appointment, he had a scholarship and left for the United Kingdom and USA on a study tour. From September 1957 to December 1961, Mr. Jabish Richmond Amissah Arthur of Aggrey Memorial School, Cape Coast was recommended and appointed Headmaster of Oda Secondary School. Mr. Amissah Arthur, who was the longest reigning Headmaster in the annals of ODASCO, laid the foundations of the school as we see it today. After Mr. Amissah Arthur, nine (9) Headteachers have held the mantle till the present Headmaster, Mr. Eric Amoah, who assumed headship officially on the 31st of October, 2024.

VISION, MISSION, CORE VALUES

VISION

To become a center of academic and moral excellence in delivery of education in Ghana.

MISSION

To create a very conducive environment for effective teaching and learning.

MOTTO

The school's motto is Knowledge, Truth and Service". This means that all students trained by ODASCO should aim at having the best of knowledge, human perfection - that is to seek the truth at all times.

CORE VALUES

Transparency
Excellence
Teamwork
Discipline
Dignity of Labour

LOGO/CREST

The colours of the school are yellow and green.
1. The **green colour** depicts the rich forest resources and the location of the school in a forest area.
2. The **yellow** depicts the rich diamond deposits found in the Birim River Basin where the school is situated.
3. Inside the crest are the following: The top left is the educational torch; the link with the Ghana Education Trust, which established the school as a Ghana Government Second-Cycle Institution. It represents light.
4. The top right is a sword, which signifies truth; the products of the school are expected to cherish truth.
5. Below the sword and the torch is a stool with a book on it. The stool shows the school's community relations and the book depicts knowledge to all who need it.

THE SLOGAN

Knowledge and discipline
Our hallmark to success

SCHOOL ANTHEM

Hail Mother ODASCO!
We pledge to reflect on your love,
Your beauty, wisdom and your charm,
Bless all who uphold your glorious name.
Board Members, Masters, Workers,
Students, Nananom.

Refrain
Evermore we pass wisdom,
Knowledge and intelligence:
Cherish those who have to mould the lives of us
The young ones.
